

## Middlebury Community Schools

### Bus Transportation

2017-18 School Year

### Pick-Up Drop-Off Policy

Beginning in the 2017-18 school year Middlebury Community Schools will no longer allow students to have an alternate bus stop. This is due to the lack of bus drivers to run school bus routes during the school day.

1. All students will only be allowed 1 bus stop for the AM route for the whole school year.
2. All students will only be allowed 1 bus stop for the PM route for the whole school year.
3. Parents will have to determine 1 AM pick up point and 1 PM drop off point that will be used all year long.
4. If an issue arises during the school day, a parent's only other option will be to pick up their child from the school.
5. Family emergencies will cause the parent to pick up the child at school or arrange to pick up the child at the normal PM stop.
6. Pick-up stops and Drop-off stops **WILL NOT BE CHANGED** all school year unless there is a life changing event. Examples:
  - Family moves – proof of residence necessary
  - Divorce – custody change
  - Family Death – custody change
  - Permanent Sitter/Child Care Change
7. All school and transportation personnel will follow the guidelines of this policy. No exceptions.
