Attendance: Students must be in school except in cases of illness, emergency, or school-approved absences.

Excused Absences

According to Indiana Code and School Board Policy 5200, the following reasons for an absence are considered excused:

- Illness, verified by a note from a parent or doctor
- Recovery from an accident
- Required court attendance
- Professional appointments – parents are encouraged to schedule appointments during non-school hours
- Death in the immediate family or relative
- Observance of a bona fide religious holiday
- Such other good cause as may be acceptable to the Superintendent or permitted by law

Unexcused Absences (Absences of Concern)

An unexcused absence is any absence not covered under the definition of excused absence or an exemption to compulsory attendance.

Steps to follow when absent:

1. Parents should call the school before 9:00 am the day a student is absent. If the school does not receive a call by 9:00 am, the school will generate an automated attendance call. A doctor's statement may be required for an extended illness.
2. All students are required to participate in scheduled recesses unless prior arrangements have been made with the teacher. **If your child cannot go out for recess, he/she must bring a signed doctor note stating the reason for being excused.** Frequent or extended absences from physical education also require a doctor's statement.
3. Homework will not be provided for one-day absences. Parents are asked to NOT "drop in" and ask for homework. Parents may phone the school to request homework before 10:00am or have a sibling or other student contact the teacher before school starts. Requested homework will be available for pick up in the office at the end of the school day, up to 3:30 pm.
4. All absences for any type of appointments will be counted as an absence for purposes of the Perfect Attendance Award. This includes leaving before the bell rings in the afternoon.

Tardiness:

It is crucial for each student to be in their classroom on time each day for beginning routines, instruction and relationship building. Please make every effort to make sure your child is on time to school each day. Should excessive tardiness occur, a conference with the principal and parent may be necessary.

1. A student is considered tardy if they are not **IN** the classroom when the 7:40am (8:05am on Wednesdays) tardy bell rings.
2. Parents must sign-in their child(ren) anytime students arrive after 7:40am (8:05am on Wednesdays). Students are not to sign themselves in when arriving after the start of the school day.
3. Students arriving after 11:15 am will be counted as absent for the a.m. Students leaving school after 11:15am, without returning in the afternoon, will be counted as absent for the afternoon.

Sign-Out Procedures:

1. If a student needs to leave during the school day, the parent must come to the office. The child will be called to the office after the

parent signs him/her out. Parents are requested to notify the office in advance when possible.

2. Parents may not go directly to the classroom when picking up a student for an appointment. This is for the protection of your child and to limit the disruptions to the learning environment.

School Lunches: The school cafeteria will begin serving both breakfast and lunch on the first day of school. The price of lunch is \$11.75 per week or \$2.35 for single meals. Separate milk is \$0.60 per carton. When paying weekly, please send money on the first school day of that week. Another option is to pay for lunches by the semester.

- 1st Semester \$213.15
- 2nd Semester \$227.85
- Both Semesters \$441.00

1. Weekly rates for **breakfast** are \$8.50. Daily rates are \$1.70. Reduced rates for breakfast are \$0.30/day.
2. Weekly rates for Reduced lunches are \$ 2.00. The daily rate for reduced lunches is \$ 0.40.
3. **Meals may not be charged.** We recommend that you keep a minimum balance of at least 4 lunches in your child's account at all times. Money can be sent in weekly, monthly or paid by the semester. Our school also has a computerized system called "Titan School Solutions" that allows parents to set up an online account to deposit money into their child's meal account. Contact the school office for information on how to set up an account for your children.
4. It is important to note that schools are required to offer all students all required food items. A hot lunch includes "five food" items from the 4 food component groups. The students must take at least three of five items, which includes milk as one item. There are 2 entrees or a salad offered daily and students must choose which one they want at the beginning of the day. Please go over the menu with your children so they will know what the lunch consists of each day.
5. Students who would like change back when paying for lunches must have a note from the parent asking for change. For younger students, we encourage you to send checks payable to "Jefferson

Elementary”, or send the money in a sealed envelope marked “Bookkeeper” with the child’s name and classroom.

6. Free and reduced-price meals, along with free textbook rental are available to those families that qualify. Parents who qualify for free or reduced-price meals or for textbook assistance should complete the appropriate forms as soon as possible. Forms are available on Registration Day and in the school office throughout the year.

Middlebury Community Schools Guest Eating Policy Regarding Fast Foods

Thank you for taking the time to come and eat with your child. We recognize that this is a special time and a positive memory your child will carry with him or her as they grow.

In accordance with the Middlebury Community Schools District Wellness Policy and Federal reimbursement guidelines, visitors to any of the cafeterias in Middlebury Community Schools **are not allowed to bring in outside food such as McDonald’s, Taco Bell, Subway, pop style drinks, and etc. when they eat in the cafeteria with their child.** Parents are encouraged to either bring a lunch from home or eat the school lunch with their child when visiting. The cost of an adult lunch \$3.70. Please notify the school office by 9:00 a.m. if you plan to have a school lunch.

Procedures for Student Lunch /Meal Accounts Charge Policy

The National School Lunch Program (NSLP) requires school food authorities to establish written administrative guidelines and procedures for meal charges. Middlebury Community Schools will adhere to the following meal charge procedures:

All cafeteria purchases are to be prepaid before meal service begins. Students may enter payments in their respective schools by physically handing payment to the school food service staff or bookkeeper. Families can enter payments into a student's food service account using the Meal Time online website.

A student may charge up to 4 meals maximum (1 charge per meal) as long as they establish and maintain a good credit history of making payments on their food service account.

A staff member may charge up to \$10.00 as long as they establish and maintain a good credit history of making payments on their food service accounts.

A student who has charged a meal may not charge or purchase "a la carte" item(s), including extra main entrees.

If a student repeatedly comes to school with no lunch and no money, food service employees must report this to the building principal as this may be a sign of abuse or neglect and the proper authorities should be contacted.

Schools may deny a reimbursable meal to a student who pays reduced or full price and who does not provide the required payment for that meal. However, if the student who pays reduced or full price has enough money in hand for a meal that day, they will not be denied a regular reimbursable meal. Students with insufficient funds and that are no longer allowed to charge a meal will be offered an alternative meal for no charge.

The food service manager or other school personnel will coordinate communication with the parent(s)/ guardian(s) to resolve the matter of unpaid charges.

The automated school messenger call system will notify parents every week of any outstanding negative balance in the student's lunch/meal account. The food services manager or bookkeeper will also send home letters each week to parents of students who carry negative balances of \$10.00 and above.

All accounts must be settled at the end of the academic school year. Letters will be sent home approximately 14 days before the end of the academic school year to students who have any negative balances. Negative balances not paid in full by the end of the academic school year will force the Corporation to take action to collect unpaid funds by

means of collection agencies, small claims court, or any other legal method deemed necessary by the Corporation.

Students who graduate or withdraw from the corporation and have \$10.00 or more left in their lunch/meal food service account will be notified by mail by food services at the end of the academic school year and given the option to transfer funds to another student or to receive a refund. If no response is received within 30 days, the student's lunch/meal balances will be transferred to the corporation food service fund.

Students in Middlebury Community Schools will have the ability to charge for both Breakfast and lunch as long as the prior conditions have been met. These will include the offered main entrees and basic reimbursable meals.

Families may apply year-round for free or reduced meals. Information regarding this can be found on our school's websites, the corporation's website and inside our school offices.

Contact for questions can be directed to the Middlebury Community Schools Food Service Director, Dr. Robby Goodman at (574) 825-9425.

Online payments via Meal Time software are available to families with student meal debt as well as the ability to contact the school directly to set up individual repayment plans.

Families that fail to repay debt will be subject to the procedures in Middlebury Community Schools Board Policy 6151 Bad Checks and Uncollectable Debt.

Middlebury Community School's families will receive a written copy of the meal charge policy annually via student handbooks and/or registration materials. The policy will also be found on the school websites as well. This includes students who may transfer into the district midyear. Policy reminders may also be distributed via social media during the academic school year.

School and district level staff members responsible for this policy enforcement will receive a written copy of the meal charge policy annually during other required annual trainings.

Students will be offered an alternative meal, breakfast/lunch, as long as needed if funds are not available in their school food service account and have exhausted their allowed charges. This will be offered at no cost to students or families. These meals will be presented to students in the same manner as reimbursable meals.

Household food service account debt collections will be initiated by Middlebury Community Schools staff, including building level administrators, food service managers, school bookkeepers, and /or the Food Service Director.

If unallowable bad debts to the NSFSA exist after the 30-day period concluding the end of the academic school year, the general fund of the Middlebury Community Schools will be used to settle the debts.

Middlebury Schools will be implementing the following E-Learning Plan for grades K-8th for snow days.

- E-Learning will **NOT** occur on the inclement weather day
- E-Learning is a window of time from Thursday at 5:00 P.M. through Monday at Midnight

General Information

Emergency Numbers: The importance of emergency information on each student cannot be over-emphasized. Parents should complete and return the “Student Enrollment Information Sheets” which will be sent home during the first day of school. The school should also be notified when there is a change of address, telephone number, or designated contact person. Current business telephone numbers should also be provided in order that the parent may be reached in case of an emergency. Phone numbers should be provided for each working parent and the school should be provided the name of an appropriate contact person in the event both parents are away from home during the day and cannot be reached.

Emergency School Closing and School Delay Information:

In case school is delayed or cancelled because of road or weather conditions during the winter or because of emergencies at any time, the information will be reported to the following radio or television stations before 7:00 a.m.

WBTU-FM Radio 93.3; WFRN-FM Radio 104.7; WRBR-FM Radio

103.9; WSJV-TV 28; WNDU-TV 16; U-93-FM Radio 92.9; WSBT-TV 22; 1490-AM; 960 AM Radio.

1. Parents will also receive an automated phone call from the Administration Office indicating the nature of the delay or closing.
2. If classes need to be dismissed during any school day because of road and weather conditions, or other emergencies, the information will be reported to the same stations and an automated phone call will once again be utilized. Parents should make arrangements for

children to be able to get into the house, or to go to another safe place, in case no adults are home in such a situation.

Kindergarten Age: Kindergarten Age (HEA 1001): Allows parents to enroll children who will turn **five years old on or by August 1** of the current school year.

Book Rental: The book rental and purchase list is to inform you of books and supplies your child will be using this year. Exact amounts are appreciated whenever possible. Please do not include lunch money with book fees – they need to be kept separate.

Book Fees:

- Kindergarten Fees \$112.00
- Grades 1-3 Fees \$112.00

***Book Rental fees are due by Friday, September 13, 2020. Please contact the school bookkeeper if you need to set up an alternative payment plan.**

Students who damage or lose a book, for which they are responsible, will be charged a fee according to the situation. Students may take textbooks home to do homework as approved by the teacher.

Physical Education: The physical education program (PE) is an important part of school curriculum. Students are expected to participate in P.E. classes unless there is a doctor's statement on file indicating reasons for not doing so. Tennis shoes are required for P.E. classes. Consequently, we are asking that each student have an extra pair of gym shoes to keep at school for P.E. classes.

Classroom Visitation: Parents may visit classrooms while they are in session throughout the year and are welcome to attend assemblies and special programs. **The first few days of school, testing days, days directly before and after vacations, and the last few days of school are not the best time to visit.** Teachers would appreciate knowing when visitors will be on hand, just as parents appreciate knowing when they will have company at home. **All visitors need to sign in and out at the office and obtain a "Visitors Badge" to wear while in the building.** All persons wishing to volunteer in the classroom will need to successfully complete a background check. This must be done every school year. Younger siblings and school-age students from other schools are asked not

to visit except in unusual situations approved by the teacher and/or principal in advance.

Educational Trips: Students are involved in a number of field trips during the year. Prior to these trips, parents will be provided with general information about the trip. All trips will have a transportation charge and some may have an admission charge. Please be aware that the school may not be able to reimburse students if they are absent on the day of the field trip. Parents who chaperone a field trip must have successfully completed a background check in order to go along. This must be done each year.

Dress and Grooming: School Board Policy #5511 Students are asked to dress in a manner that is appropriate for school activities. Neatness and cleanliness are of major concern. Clothes or grooming techniques that detract from the educational process should be avoided. Parents are asked to monitor the wearing of shirts that show a bare midriff. Mesh shirts or shirts with inappropriate language or advertisements for products illegal to students under the age of 18 are not permitted. Students will not be allowed to wear caps or hats during the school day unless otherwise noted by the teacher or principal. Appropriate winter hats will be allowed on the playground at recess times. Teachers or the principal may counsel with students and parents if questionable dress or grooming is observed, and the school will provide suitable apparel. The School Board recognizes that each student's mode of dress and grooming is a manifestation of personal style and individual preference. The Board will not interfere with the right of students and their parents to make decisions regarding their appearance, except when their choices interfere with the educational program of the schools.

Accordingly, the Superintendent shall establish such grooming guidelines as are necessary to promote discipline, maintain order, secure the safety of students, and provide a healthy environment conducive to academic purposes. Such guidelines shall prohibit student dress or grooming practices which:

1. Present a hazard to the health or safety of the student himself/herself or to others in the school;
2. Interfere with school work, create disorder, or disrupt the educational program;
3. Cause excessive wear or damage to school property;

4. Prevent the student from achieving his/her own educational objectives because of blocked vision or restricted movement.

Outside Play: Students do not, as a rule, go outside for noon recess in the winter if the wind chills or actual temperature is below 15 degrees or if the weather is inclement in some other respect. Occasionally, teachers may take their own classroom out for a few minutes of fresh air even though the weather is cold. If a child is properly clothed, a short playtime in brisk temperatures is important to good health. If there is a valid reason for a student to remain inside for recesses when others are out, a Doctor's note should be sent to the teacher. The fact that a child would simply rather remain inside is not a valid reason. Problems of supervision are created when children stay in while the scheduled supervisors are outside.

Lost and Found: Please make sure that gym shoes, jackets, lunch boxes, and other items have a full name clearly printed on them. We maintain a "Lost and Found" area in the school. Parents are invited to check for lost items at any time. Unclaimed items are donated to Goodwill.

School Telephones:

1. Our phone system has after hour's voice mail. You may call the school at any time and leave a message.
2. Students are not to use the office or classroom phones for personal calls. Calls of an emergency nature, including illness, may be made in the office by the student or for the student by office personnel. Students are requested to make arrangements for staying after school for scheduled activities and similar matters in advance so that school time is not used for these purposes.
3. Parents are requested to make transportation arrangements in advance as much as possible so that calls to the school to deliver messages to students can be kept to a minimum. **ALL PHONE CALLS REQUIRING A CHANGE IN TRANSPORTATION NEED TO BE MADE BEFORE 1:30PM. (This includes when a student is getting picked up after school)**

Discipline

1. The Jefferson Elementary school staff have high expectations for all of our students in the area of discipline. We approach any discipline

- problem or concern with a positive attitude. We teach our students to respect themselves, respect others, and respect property. School staff members will make every effort, with parental cooperation, to help all students develop acceptable self-discipline.
2. Classroom teachers establish their own expectations for student behavior within their classroom, and there are school wide expectations established for all other areas on the school grounds. This includes the halls, restrooms, lunchroom, playground, riding a school bus, and other areas.
 3. In most cases the classroom teacher handles student discipline problems as they arise. In cases of a serious or continual form of misbehavior the child may be referred to the principal. When a child appears to be headed for trouble or has been involved in major or repeated offenses, the parent will be contacted. Some of the disciplinary approaches used by the teachers and principal include counseling, reprimand, and loss of privileges, detention, and temporary separation from other students, in-school suspension and out of school suspension.

Cell Phones, Electronics and Games - School Board Policy #5136

Students are encouraged to leave electronic equipment at home. These items include, but are not limited to, cell phones, cd players, iPods, Nintendo DS's, etc. We understand that some bus drivers allow students to use these items on the bus, while others do not. If a student chooses to bring the time for use on the bus, it is his/her responsibility. Jefferson is not responsible for items that are lost, stolen or damaged on the bus or at school. Once at school, these items can cause a distraction to the learning environment, so they must remain turned off and in a student's book bag in his/her locker at all times. A classroom teacher can make an exception during field trips and/or special classroom events. The school encourages students to leave cell phones at home as access to phones at school is available through the classroom teacher when needed. **Students who bring cell phones to school must keep them in their backpack and turned off at all times.**

Medical Policies

General Health Policy: Students should not be sent to school if they have a temperature of 100 degrees or above or if they were sick the night before. They should remain at home until they are fever-free (less than 100 degrees) for at least 24 hours without the use of fever-reducing medication such as Tylenol, or Advil. Also, students should not return to school for at least 24 hours after their last vomiting or diarrhea episode. By keeping children home to fully recuperate, we can decrease the duration of your child's illness and decrease the spread of flu and colds to other students. If your child should become ill at school, you will be contacted to come pick them up.

Student Illness or Accident: In case a student becomes ill or is injured during the school day, the school nurse or a designated school person will use their judgement about notifying the parents. Most parents do not wish to be bothered each time their child receives a bump or scrape. Parents, when notified are encouraged to make the decision about and make arrangements for taking the child home or to a doctor. In case the parents cannot be reached or in the case of an emergency the instructions on the back of the enrollment form will be followed. Please be thorough in completing the enrollment form. Be certain to add work numbers, and phone numbers of other persons we can call if we are not able to contact you. Please contact our office anytime there is an address or phone number change. If a student has a medical condition that the school should be aware of, a special medical condition form (H-9) should be completed and returned to the school office.

Medication: A number of our students need medications while at school. All medication, either prescription or over-the-counter, must be kept in the clinic and dispensed either by the school nurse or her

designee. **Prescription medication** can only be given out if the medication form is filled out in full by the child's doctor and by the parent. When having prescriptions filled, it is helpful to request from the pharmacist a duplicate bottle so that we can keep one bottle at school while you keep the other one at home.

MEDICATION WILL NOT BE GIVEN OUT UNLESS IT IS IN ITS ORIGINAL CONTAINER: Non-prescription medication can only be given if the student's parent fills out the release on the back page of the enrollment form. You are welcome to bring in medication from home such as chewable Tylenol, antacids, and cough medicine. **ALL MEDICATION MUST BE BROUGHT IN ITS ORIGINAL CONTAINER.** Our clinic stocks Tylenol, ibuprofen, and Benadryl for our students if they become ill while at school and they do not have medication from home. **No medication will be sent home with a student.**

Head Lice: Head lice is always a possibility in any family. We encourage parents to do head checks on all family members throughout the school year. The school nurse will do individual head checks as needed. Middlebury Community Schools has a "no nit" policy. This means that in addition to the use of lice shampoo, all nits (lice eggs) must be removed from the hair. If lice or nits are found the parent will be notified and the student may not return to school until the lice & nits are removed. Students need to be checked & cleared by the nurse upon returning to school.

Immunizations: There are separate state immunization requirements for different grade levels. These immunizations include: 5 DPT (Diphtheria, Pertussis, and Tetanus), 4 Polio (Oral and/or injectable), 2 MMR (Measles, Mumps, and Rubella), 2 Hepatitis A, 3 Hepatitis B, 2 Varicella (chicken pox) or physician documentation of chicken pox. Completed immunization forms from a doctor's office, health department, or former school must be on file in the office in order for a student to attend school. Contact the school nurse @ 822-5357 if you have any questions.

Student Insurance: Generally speaking Middlebury Community Schools is not responsible for injuries and accidents occurring to students. Therefore, Middlebury Community Schools makes Student Insurance available each school year. This insurance is administered by a third party. At the beginning of each school year the plan coverage and rates are established.

Current school year Student Accident Insurance information and Applications will be available on the Middlebury Community School

website. Click the Student Insurance Link. The school carries NO medical insurance for student injuries.

School Rules and Guidelines

Candy and Gum: Students are requested not to bring candy to school unless it is part of a special classroom treat. Gum may not be brought or chewed at school at any time.

Bicycles: No child shall ride a bicycle to school unless his parents consider him/her capable of riding safely in automobile and pedestrian traffic. Students must secure a bicycle permit form in the office and have parents complete it and return it before riding a bicycle to school. Bikes should be walked, not ridden, once on school grounds. Bicycles are to be parked in bike racks provided.

Money: If you send money with your child for milk, lunch, school pictures, etc., it is advisable to seal it in an envelope with the child's name on it, along with the purpose for which it was sent. If money is to be sent for other reasons, the teacher will send a written notice explaining the need. It is best that students not be allowed to carry any significant amounts of money with them to school.

Walking to School: Anytime students walk across CR 20 or SR 15 there is a safety hazard. We want all of our students to arrive safely to and from school. With this in mind, if your child would cross CR 20 or SR 15, we strongly encourage you to have your students to use bus transportation or drive the students to school.

Playground and Lunch Schedules:

Grading and Report Cards: In grades K-3 a report card is published four times per year (once each quarter or nine weeks). **These report cards will be available online following the end of the grading period.** Report cards **WILL NOT** be sent home. Parents can view their child's report card through their Parent Power School account. Contact the school office for help in setting up your Parent Power School account if you have not already done so. Reporting practices try to serve two basic purposes: (1) to motivate and encourage students and (2) provide information regarding student progress and effort. No grading system is totally effective at achieving these goals. We feel, however, that the report cards we use, combined with parent-teacher conferences, are very effective. We hope the amount of effort and learning that takes place will be more important to students and parents than the actual grades. Hopefully the grades used on the report cards are self-explanatory.

Communication: Good communication between home and school is essential for the maximum progress of your child.

CHANGES IN YOUR STUDENT'S TRANSPORTATION FOR THE DAY SHOULD BE DIRECTED THROUGH THE SCHOOL OFFICE AND NOT THE CLASSROOM TEACHER.

Parent-teacher conferences are one important way of working at this. Conferences are scheduled for **all** students at the end of the first quarter (late October)). Conferences are scheduled at the end of the third marking period (March) for selected students who would benefit from them. Parents are encouraged to ask questions and share ideas at these conferences.

Parents are also invited to contact the teachers by note or phone with questions or concerns at any time during the school year. Questions about general school matters should be directed to the principal. By talking together, we can avoid misunderstandings, rumors and gossip, none of which are beneficial to your child in the long run.

Other methods of communication include monthly letters to parents from the school and phone calls and notes from teachers to parents.

Classroom Parties: Most classrooms traditionally have a Fall Party (October), a Winter Party (December), and a Valentine's Day party. Teachers usually have parent volunteers supervise and coordinate these parties. Occasionally other special parties may be held. Parents who wish to provide a classroom treat in honor of their child's birthday may do so if the treat is simple, the involvement is minimal, and the teacher has been contacted in advance. Birthday treats should never be distributed before lunch and should not be eaten on the bus. Please contact the teacher to find out if there are any allergies or special considerations for snacks for the classroom. When you arrive at the school, please bring the treats in their original package, to the office so the nurse can double check for allergies in the classroom against ingredients.

Student Selling: Students are not allowed to buy, sell or trade items at school or on the buses unless it is for a worthy, non-profit organization and has been approved by the principal in advance.

Student Services/Support

Title I: The Title I program at Jefferson is based upon current research concerning emergent readers and early intervention strategies. Students in need of extra help in reading will be given instruction from a certified teacher in groups of no more than three students. The “Early Literacy Groups” allow teachers to use strategies that help readers become independent.

2261.02 - TITLE I – PARENTS’ RIGHT TO KNOW

In accordance with the requirement of Section 1111 of Title I, for each school receiving Title I funds, the Superintendent shall make sure that all parents of students in that school are notified that they may request, and the Corporation will provide the following information on the student's classroom teachers:

- a. *Whether the teacher(s) have met the State qualification and licensing criteria for the grade level and subject areas they are teaching*
- b. *Whether the teacher(s) is teaching under any emergency or provisional status in which the State requirements have been waived*
- c. *The undergraduate major of the teacher(s) and the area of study and any certificates for any graduate degrees earned*
- d. *The qualifications of any paraprofessionals providing services to their child(ren)*

In addition, the parents shall be provided:

Bus Transportation

Student Pick-Up/Drop-Off Bus Policy

Middlebury Community Schools is extremely lucky to have bus drivers who are committed to the safety and well-being of all of our students. Many drivers think of “their” students as family! In our effort to continue to transport all students in our community to and from school safely and effectively, we need to continue to enforce the following bus stop guidelines.

1. Each student will be allowed ONLY ONE (1) bus stop for their morning (AM) pick up and ONLY ONE (1) bus stop for their after school (PM) drop off.

2. All subdivisions will have designated pick up points (**BUS STOPS**) and these will be strictly adhered to.
3. Bus drivers will no longer pick up students who live in subdivisions **at their home**. If at any time you have any cause for worry about your student's safety, please remember, parents are allowed and **encouraged** to escort (walk/drive) their students to their student's bus stop and wait until the bus arrives.
4. No bus driver will honk for any student. It is our school policy that students are waiting at their bus stop 10 minutes prior to their designated pick up time. Your student should be visibly waiting for the bus. (yes, even in the rain and cold)
5. Bus drivers do not have time to "come back" for a student who missed the bus. Please have your student ready to go to school on time.
6. Students living on County Roads and State Roads will continue to receive curb to curb service as long as they are waiting for the bus and are visible to the driver.
7. **STUDENTS ATTENDING HERITAGE INTERMEDIATE SCHOOL MAY NOT CATCH A SHUTTLE BUS FROM THE ELEMENTARY SCHOOLS. THEY WILL NEED TO RIDE A BUS FROM HOME OR BE TRANSPORTED DIRECTLY TO HIS.**

Students will be picked up and dropped off at their bus stop at the designated time PLUS or MINUS 10 minutes.

ALL TRANSPORTATION CHANGES REQUIRE A NEW TRANSPORTATION FORM

Pick-up and drop-off stops **WILL NOT BE CHANGED** during the school year unless there is a life changing event such as:

- Family moves – proof of residence necessary
- Divorce – custody change
- Family Death – custody change
- Permanent sitter/Child Care change

If an issue arises during the school day, a parent's only other option then the designated drop off will be to pick up their child from the school.

Bus Procedures

Boarding the Bus:

Be waiting and at stop ahead of time*. *(Plan on a 5-10 minute window before/after the pick-up time you are given by transportation/the bus driver. Drivers will do their best to keep the same schedule but times may vary due to road conditions, students that don't ride on certain days, having to wait on for students to load etc)*

1. Do not destroy surrounding property.
2. Line up in orderly fashion.

4. Board promptly to your assigned seat.

Purpose: Jefferson Elementary recognizes that conflict and bullying have a negative effect on the school climate. Bullies are hindering the academic success and emotional well-being of their victims. Each student at Jefferson has a right to learn in a safe, caring, non-threatening environment.

Bullying may include, but is not limited to: harm to someone's body or property (hitting, kicking, tripping, theft, destruction of property), harm to someone's self-esteem or feeling of safety (name calling, teasing, put-downs, threats) or harm to someone's group acceptance (social isolation, spreading of rumors).

Staff Intervention: Jefferson Elementary staff members who observe or become aware of an act of bullying are expected to take immediate action, unless the intervention would be a threat to the staff member's safety. If the intervention does not or possibly will not resolve the matter, the staff member will report the incident to the school principal, assistant principal, or guidance counselor.

Dangerous Weapons Policy # 5772 Middlebury Community Schools

The School Board will not tolerate the possession of weapons or other devices designed to inflict bodily harm by anyone while on Corporation property, at a school-related event, or while enroute to or from school on a school bus. This policy shall also encompass such actions as look-alike items, false fire alarms, bomb threats, or intentional calls to falsely report a dangerous condition.

SECURITY

Middlebury Community Schools is committed to providing a safe and secure environment for our students. Our district safety committee spent significant time developing procedures and plan for reunifying students with their parents in the event that circumstances require a controlled release of students following an evacuation or similar event. These plans would be used during unusual situations that would occur outside of the scope of a normal school day such as a natural disaster, a large-scale evacuation or an act of violence at or near one of our schools.

Middlebury Community Schools has adopted the standard reunification method to assist us in our planning for such an event. Please review this information for general guidelines about your role in the reunification process so that you would know what to expect. Our goal is to reunite all students with their parents as quickly and as safely as possible should one of these unfortunate events occur.

STANDARD™ REUNIFICATION METHOD

STUDENT/PARENT REUNIFICATION

Circumstances may occur at the school that require parents to pick up their students in a formalized, controlled release. This process is called a Reunification and may be necessary due to weather, a power outage, hazmat or if a crisis occurs at the school. The Standard Reunification Method is a protocol that makes this process more predictable and less chaotic for all involved.

Because a reunification is not a typical end of school day event, a reunification may occur at a different location than the school a student attends. If this location is another school, then those students may be subject to a controlled release as well.

NOTIFICATION

Parents may be notified in a number of ways. The school or district may use its broadcast phone or text message system. In some cases, students may be asked to send a text message to their parents. A reunification text message from a student may look something like this: *"The school has closed, please pick me up at 3:25 at the main entrance. Bring your ID."*

PARENT/GUARDIAN EXPECTATIONS

If a parent or guardian is notified that a reunification is needed, there are some expectations that parents or guardians should be aware of. First, bring identification. That will streamline things during reunification. Second, be patient. Reunification is a process that protects both the safety of the student and provides for an accountable change of custody from the school to a recognized custodial parent or guardian.

WHAT IF A PARENT CAN'T PICK-UP THEIR STUDENT?

When a parent can't immediately go to the reunification site, students will only be released to individuals previously identified as a student's emergency contact. Otherwise, the school will hold students until parents can pick up their student.

WHAT IF THE STUDENT DROVE TO SCHOOL?

There may be instances where a student may not be allowed to remove a vehicle from the parking lot. In this case, parents are advised to recover the student. In some circumstances, high school students may be released on their own.

HOW IT WORKS

For students, the school asks that students be orderly and quiet while waiting. Students may be asked to text a message to their parents or guardians. Students are also asked not to send other text messages either in or out of the school or reunification area. Keeping the cellular network usage at a minimum may be important during a reunification.

REUNIFICATION CARDS

For parents, there are a couple of steps. If a parent is driving to the school, greater awareness of traffic and emergency vehicles is advised. Parents should park where indicated and not abandon vehicles. Parents are asked to go to the Reunification "Check In" area and form lines based on the first letter of their student's last name. While in line, parents are asked to fill out a reunification card. This card is perforated and will be separated during the process. Some of the same information is repeated on both the top and separated bottom of the card. Parents are asked to complete all parts of the card.

In the case of multiple students being reunified, a separate card for each student needs to be completed.

BRING ID TO CHECK IN

During check in, identification and custody rights are confirmed. The card is separated and the bottom half given back to the parent.

From the "Check In" area parents are directed to the "Reunification" area. There, a runner will take the bottom half of the card and take it to the Student Assembly Area to recover the student or students.

Parents should be aware that in some cases, they may be invited into the building for further information.

INTERVIEWS AND COUNSELING

In some cases, parents may be advised that a law enforcement investigation is underway and may be advised that interviews are necessary. In extreme cases, parents may be pulled aside for emergency or medical information.
